Abstract is the result of three years of research and by the Sennelier expert lab team. It is a fine acrylic paint which meets all the stringent quality demands that are a guarantee of Sennelier paints: its pigment concentration –quite amazing for this segment of the market – gives it a creamy-to-thick consistency which we've called "Heavy Body", along with incomparable covering power.

Abstracts In Acrylic And Ink. I don't do abstract art myself but I know many artists love it. So while I can't say this book is perfect for everyone, it is a brilliant way to get into doing abstract pieces. Abstracts In Acrylic And Ink mixes two mediums together with some very practical advice for newer artists.

Splatter, stamp, scrape, repeat. A quick-start guide to beautifully layered and textured abstracts! While there are many approaches to painting abstract art, Jodi Ohl's philosophy is to simply start. In this book, the successful, self-taught artist helps you "dive in with an open mind and fearless heart." Everything inside is geared toward kick-starting your creativity: • An exciting series of 22 fun-to-follow, step-by-step projects. • A tantalizing variety of approaches and inspirations for applying and manipulating paint, crayons, pencils, ink, paper, photos and more. • Quick and loose exercises for building a library of ideas, color palettes, patterns and designs to use in future paintings. • Loads of practical advice, including how to stock your studio without going broke, the five must-haves mediums, and how to finish and protect your artwork. For beginners eager to get to the "good stuff" and for artists looking to expand their repertoire, it just doesn't get any better. Every action-packed page will have you trying something new and pushing your boundaries! Make marbled acrylic skins * Add a stain * Discover instant gratification with Yupo paper * Achieve the wonderfully aged look of image transfers * Play with graffiti-style art * Experiment with gel mediums * Incorporate non-commercial add-ins like eggshells and netting * Create incredible abstract landscapes and cityscapes * And so much more!

Discover abstract painting with acrylics! "If you approach your art with a playful attitude you will be more apt to keep making art, and the more art you make, the better your art will be." —pg. 10 Like a diving board for creativity, Abstract Explorations in Acrylic Painting will help you plunge joyfully into artmaking. With the belief that an attitude of playfulness is key to artistic growth, award-winning acrylic artist Jo Toye leads you on an engaging workshop-style adventure filled with innovative techniques, inventive approaches and breakthrough results. • Work Small. Start by discovering how working on a small canvas yields big payoffs. When you don't have anything to lose but a few minutes and a little piece of paper, you'll find that you paint more fearlessly, absorb new concepts faster and enjoy yourself more. • Step-by-Step Instruction. Learn what tools Toye finds most useful in making art, along with 17 step-by-step demonstrations showing how to use them to best effect. • Start-to-Finish Painting Projects. At the heart of the book, 8 start-to-finish painting projects put it all together. Discover fresh takes on stenciling, sponging, making and working with gesso. Use razor blades and applicator bottles to create distinctive linework. Achieve wonderfully original patterns using resist pens, mouth atomizers and India ink. Experiment with Clear Tar Gel, pour paint with pipettes, work over top a "failed" painting...all yielding brilliantly original results. Heavily illustrated and filled with exciting ideas you won't find anywhere else, Abstract Explorations in Acrylic Painting will inspire you to paint, experiment, play...and come away with some of your best work yet!

Offers instructions on abstract painting, providing suggestions, exercises, and explanations.

The Beginner's Guide to Abstract Art is an inspirational but practical book that will help artists to paint in a less figurative way. Laura Reiter demonstrates different ways to approach an abstract painting from 'just a little bit abstract' to 'completely abstract'. She does this by focussing on ideas and themes as starting points, looking at the creative processes involved and more unusual techniques. Laura Reiter also covers how to use materials creatively – watercolour, acrylics, mixed media and collage – and how to experiment with colour and composition. There is also details on texture, simple printing, mark making, colour and its meaning, and sources of inspiration. Several projects are included, and, in addition to Laura's vibrant, colourful paintings, the work of several other contemporary abstract artists is featured. Previously published in hardback as Painting Accessible Abstracts.

Take an exciting journey into printing with custom-carved stamps! In this complete stamp-carving workshop, Julie Fei-Fan Balzer covers every aspect of creating and using rubber stamps, including carving linear and curved designs, alphabets, complex and repeating geometrical shapes, and image transfers. After carving your own unique stamps, you'll also learn: • How to combine and layer stamps into original designs. • How to design stamps that work together as well as individually. • How to create stamps that combine with or enhance other stamps (hand carved or commercial). • And how to create complex, layered effects that resemble screen printing. This book also includes simple projects that explore various applications for stamping, including printing on different surfaces such as fabric, leather, paper, and canvas. Find your "authentic" design voice and get carving today!
