Misinformation like that has given those with ADHD a bad rap. You just do things differently. Somehow you get them done, but you might feel the pressure and stress about how to tackle a deadline. In this blog, I'll point out how you can find exactly what systems work for you.

Getting Things Done with ADHD – DIG Coaching Practice

Attention deficit hyperactivity disorder (ADHD) is a condition that affects people's behaviour. People with ADHD can seem restless, may have trouble concentrating and may act on impulse. Symptoms of ADHD tend to be noticed at an early age and may become more noticeable when a child's circumstances change, such as when they start school.

Attention deficit hyperactivity disorder (ADHD) – NHS

Knowing I had adhd was only 25% of the battle for me. I'm so glad that I chose to stay committed to coaching. Now that I have more self awareness about myself and my adhd I trust myself to get what I need done. I don't try to do too much anymore and when I've done all I can on my own I'm more willing to reach out for support.

ADHD and David Allen's Getting Things Done

Well, to be honest, about two and a half years ago I took the first step taken by many a person with organizational challenges (understatement of the century in my case.): buying a copy of David Allen's seminal Getting Things Done. This was immediately followed by what I believe to be a second, equally common step: starting to read it, feeling more overwhelmed before finishing and putting ...
