Afrika

Africa is the world's second-largest and second-most populous continent, after Asia in both cases. At about 30.3 million km<sup>2</sup> (11.7 million square miles) including adjacent islands, it covers 6% of Earth's total surface area and 20% of its land area. With 1.3 billion people as of 2018, it accounts for about 16% of the world's human population. Africa's population is the youngest amongst all the ...
