P2 – AQA GCSE Physics revision resources. Exam questions organised by topic and difficulty, past papers and mark schemes for Unit P2 AQA GCSE Physics.

Help your students perfect their understanding and prepare for examinations with accessible science content presented at the right level. An accessible Revision Guide that completely covers the most recent specification with up-to-date revision questions. Written by best-selling authors with substantial examining experience at both Foundation and Higher level for CCEA. - Ensures students' understanding with clear worked examples and content written at the correct level - Provides practice for assessment with lots of Revision Questions - Enables students to improve their grade with helpful exam tips that covers key terminology and guidance on preparing for assessment - Helps students to practise and remember key terms with a full Glossary

Endorsed by Cambridge International to support the full syllabus for examination from 2023. Build strong subject knowledge and skills and an international outlook with author guidance and in-depth coverage of the revised Cambridge International AS & A Level Economics syllabus (9708). - Understand how the key concepts relate to real-life contexts with numerous case studies and examples from economies around the world. - Build confidence with opportunities to check understanding and tackle exam-style questions. - Ensure a thorough understanding with synoptic links that encourage students to apply their knowledge across different elements of the course. - Master the vocabulary needed to critically assess with key terms and concepts defined throughout, especially helpful for those whose first language is not English. - Develop quantitative skills with opportunities to interpret data throughout. - Maximise potential with study tips in each chapter that cover tricky concepts and provide advice on how to apply skills.

This title covers the entire syllabus for Cambridge International Examinations' International AS and A Level Biology (9700). It is divided into separate sections for AS and A Level making it ideal for students studying both the AS and the A Level and also those taking the AS examinations at the end of their first year. - Explains difficult concepts using language that is appropriate for students around the world - Provides practice throughout the course with carefully selected past paper questions at the end of each chapter We are working with Cambridge International Examinations to gain endorsement for this title.

A Liverpoolian West Side Story, Blood Brothers is the story of twin brothers separated at birth because their mother cannot afford to keep them both. One of them is given away to wealthy Mrs Lyons and they grow up as friends in ignorance of their fraternity until the inevitable quarrel unleashes a blood-bath. Blood Brothers was first performed at the Liverpool Playhouse in 1983 and subsequently transferred to the Lyric Theatre, London. It was revived in the West End in 1988 for a long-running production and opened on Broadway in 1993.

Please note this title is suitable for any student studying: Exam Board: AQA Level: GCSE Subject: Mathematics First teaching: September 2015 First exams: June 2017 AQA GCSE Maths, Higher Student Book has been approved by AQA and specially written by a team of maths experts for the Higher tier of AQA's 2015 GCSE specification. Designed to fully support the new style of assessment, the book adopts a clear style to focus on delivering exam success via the careful development of fluency and problem solving practice. Powered by MyMaths the book links directly to the ever popular web site offering students a further source of appropriate support.

Our brand-new resources are written specifically to tackle the demands of the GCSE (9-1) Maths.

Practise and prepare for AQA A-level Biology with hundreds of topic-based questions and one complete set of exam practice papers designed to strengthen knowledge and prepare students for the exams. This extensive practice book raises students' performance by providing 'shed loads of practice', following the 'SLOP' learning approach that's recommended by teachers. - Consolidate knowledge and understanding with practice questions for every topic and type of question, including multiple-choice, multi-step calculations and extended response questions. - Develop the mathematical, literacy and practical skills required for the exams; each question indicates in the margin which skills are being tested. - Confidently approach the exam having completed one set of exam-style practice papers that replicate the types, wording and structure of the questions students will face. - Identify topics and skills for revision, using the page references in the margin to refer back to the specification and accompanying Hodder Education Student Books for remediation. - Easily check answers with fully worked solutions and mark schemes provided in the book.

Exam Board: AQALevel: GCSESubject: Combined ScienceFirst Teaching: September 2016; First Exams: June 2018Get ready for the 2019 exams using Collins AQA GCSE Grade 9-1 Combined Science Foundation Practice Test Papers.Exam-style test papers provide realistic practice to fully prepare for the GCSE 9-1 exam. The book containstwo full sets of up-to-date practice test papers with answers included at the back.
