The Bedford Handbook carries on the Hacker tradition by responding to student writers' needs and to the way students need their handbook to work. Still a full-size handbook that doubles as a reference, the Handbook features clear, straightforward advice, hand-edited sentences, a user-friendly index, and a handy format. The eighth edition combines classic Hacker usability with a next-generation focus on academic writing and research and new navigation that helps students pull together advice and models for each assignment. Developed with the help of students and teachers at more than 35 colleges and universities, the new edition reflects the ways students write and revise in their composition course and beyond. What's more, The Bedford Handbook remains a

hundred integrated exercise sets for plenty of practice with the grammar, style, punctuation, and mechanics topics offered in the handbook. The answers to some items appear in the back of the book.

If you haven't looked at The Bedford Handbook in a while, look again: This edition has everything your students need to become stronger writers--in a briefer book. This reimagined Bedford Handbook takes a fresh "essentials" approach to the familiar coverage of writing, research, style, and grammar that The Bedford Handbook has always had. The result is a handbook that's equal parts approachable and comprehensive. Students will quickly find answers in the book's direct
