Lara Bailey isn't in Rocky Springs for the hot springs, the resort activities or the fabulous skiing. She has come to Colorado for one reason and one reason only: to find and get close to Marcus Colter, the eldest Colter brother. Unfortunately, trouble finds her in the form of Tate Colter rather than Marcus. The youngest Colter brother is arrogant, cocky, smart, and tenacious in his attempts to find out why she wants to find Marcus even though she's never met him. Lara isn't willing to divulge that information, and Tate is determined to uncover her motives. It makes Tate one hot, wickedly sexy, adorably dimpled, alpha male pain in her backside. Lara is really confused when Tate helps her out of a difficult and potentially dangerous situation. It leaves Lara wondering if he really is the cocky, arrogant jerk that he pretends to be, or if there isn't much more to Tate Colter than she'd initially thought. Tate Colter wants Lara Bailey in his bed...badly. When she completely blows him off and ignores him when they meet, he's even more determined to find out her secrets and get her to submit to the molten desire that radiates between the two of them. The fact that she's one tough female, a woman who can give back exactly what he dishes out, makes her even more intriguing to him. Sparks fly as Tate and Lara become involved in a battle of wits and wills that will ignite flames of passion and desire like neither one of them have ever experienced. But when deception is discovered and a betrayal takes place, can these two adversaries who are so much alike work together without letting the white-hot passion burning between them incinerate them both?

His professional football career over due to a tragic accident, billionaire Kade Harrison takes on the task of solving a mystery for his brother-in-law and friend, Max Hamilton. But what starts out as a simple favor soon becomes a whole lot more than he bargained for when the woman he's seeking slips away from him every time he gets close to finding her. When Kade does finally corner her, things start to get even more complicated. Asha Paritala is nothing like he expected, and the female he had tracked down as a favor for Max soon becomes a woman he wants for his very own, a woman who makes protective and highly predatory instincts he didn't know he had flare to life inside him. Kade soon discovers that he wants Asha's total surrender to the desire and passion

that vibrates intensely between the two of them, but he also wants her trust, the one thing Asha's history makes it difficult for her to give. Can Kade convince her that some things are worth risking it all? Caught between two worlds, Asha Paritala is homeless, broke and damaged from a life of abuse and neglect. Born of an American mother and an Indian immigrant father, Asha was raised as an Indian woman by a foster family after the death of her natural parents when she was little more than a baby. She's spent her entire life under the control of others until finally breaking free two years earlier, and she's determined to keep her freedom, even if it means she has to struggle to survive. But when she meets Kade Harrison, her resolve is tested. After Kade helps her through a bad situation, she finds herself beginning to trust Kade as she's never trusted a man before. Kade is everything she always thought a man should be, but can she lose herself in him completely when she knows she's damaged and confused.

Billionaire Max Hamilton thought he was finally starting to find contentment, more than two years after losing his wife Mia in a tragic drowning accident. He'd been reunited with a sister he hadn't realized existed. Finally he had family again, a reprieve from the pain and loneliness that had haunted him since his devastating loss. Yeah...he was as happy as a man could be, considering he had lost the other half of his soul and most of his heart when fate had torn his wife away from him. Or so he believed...until the day he rescued a mysterious woman in the park, a female who somehow had managed to reignite a part of him that he thought was long dead... Suddenly, Max's protective, dominant, possessive male instincts flare to life, leaving him at a loss as to how lightning could possibly strike twice in one lifetime. Is he truly being given another chance at real happiness, or would it be dangled in front of him, only to be taken away once again?
