Biology, 11th Edition - 9781337392938 - Cengage

From the first edition to the present, Life has set the standard for being the most balanced experimentally-based introductory biology text. Life has always presented how we know (the process of science through experiments) as well as what we know (facts derived from these experiments). The new edition builds on this legacy, again teaching fundamental concepts and the latest developments by ...
