The authoritative guide to using the English language effectively, from the

# Access Free Chicago Manual Of Style

greatest writer on grammar and usage that this country has ever produced" (David Yerkes, Columbia University). The author of The Chicago Manual of Style's popular "Grammar and Usage" chapter, Bryan A. Garner is renowned for explaining the vagaries of English with absolute precision and utmost clarity. With The Chicago

# Access Free Chicago Manual Of Style

Guide to Grammar, Usage, and Punctuation, he has written the definitive guide for writers who want their prose to be both memorable and correct. Garner describes standard literary English—the forms that mark writers and speakers as educated users of the language. He also offers historical context for understanding

# Access Free Chicago Manual Of Style

the development of these forms. The section on grammar explains how the canonical parts of speech came to be identified, while the section on syntax covers the nuances of sentence patterns as well as both traditional sentence diagramming and transformational grammar. The usage section provides an

# Access Free Chicago Manual Of Style

unprecedented trove of empirical evidence in the form of Google Ngrams, diagrams that illustrate the changing prevalence of specific terms over decades and even centuries of English literature. Garner also treats punctuation and word formation, and concludes the book with an exhaustive glossary of grammatical terms and a

# Access Free Chicago Manual Of Style

bibliography of suggested further reading and references. The Chicago Guide to Grammar, Usage, and Punctuation is a magisterial work, the culmination of Garner's lifelong study of the English language. The result is a landmark resource that will offer clear guidelines to students, writers, and editors alike. [A

# Access Free Chicago Manual Of Style

manual] for those of us laboring to produce expository prose: nonfiction books, journalistic articles, memorandums, business letters. The conservatism of his advice pushes you to consider audience and occasion, so that you will understand when to follow convention and when you can safely break it.□□John E. McIntyre,

# Access Free Chicago Manual Of Style

Baltimore Sun

Each year writers and editors submit over three thousand grammar and style questions to the Q&A page at The Chicago Manual of Style Online. Some are arcane, some simply hilarious—and one editor, Carol Fisher Saller, reads every

# Access Free Chicago Manual Of Style

single one of them. All too often she notes a classic author-editor standoff, wherein both parties refuse to compromise on the "rights" and "wrongs" of prose styling: "This author is giving me a fit." "I wish that I could just DEMAND the use of the serial comma at all times." "My author wants his preface to come at the end of the

# Access Free Chicago Manual Of Style

book. This just seems ridiculous to me. I mean, it's not a post-face." In *The Subversive Copy Editor*, Saller casts aside this adversarial view and suggests new strategies for keeping the peace. Emphasizing habits of carefulness, transparency, and flexibility, she shows copy editors how to build an environment

# Access Free Chicago Manual Of Style

of trust and cooperation. One chapter takes on the difficult author; another speaks to writers themselves. Throughout, the focus is on serving the reader, even if it means breaking "rules" along the way. Saller's own foibles and misadventures provide ample material: "I mess up all the time," she confesses. "It's how I know things."

# Access Free Chicago Manual Of Style

Writers, Saller acknowledges, are only half the challenge, as copy editors can also make trouble for themselves. (Does any other book have an index entry that says "terrorists. See copy editors"?) The book includes helpful sections on e-mail etiquette, work-flow management, prioritizing, and organizing computer files.

# Access Free Chicago Manual Of Style

One chapter even addresses the special concerns of freelance editors. Saller's emphasis on negotiation and flexibility will surprise many copy editors who have absorbed, along with the dos and don'ts of their stylebooks, an attitude that their way is the right way. In encouraging copy editors to banish their ignorance and

# Access Free Chicago Manual Of Style

disorganization, insecurities and compulsions, the Chicago Q&A presents itself as a kind of alter ego to the comparatively staid Manual of Style. In *The Subversive Copy Editor*, Saller continues her mission with audacity and good humor.

# Access Free Chicago Manual Of Style

A major new account of the Northern movement to establish African Americans as full citizens before, during, and after the Civil War In *More Than Freedom*, award-winning historian Stephen Kantrowitz offers a bold rethinking of the Civil War era. Kantrowitz show how the fight to abolish slavery was always part of a much

# Access Free Chicago Manual Of Style

broader campaign by African Americans to claim full citizenship and to remake the white republic into a place where they could belong. *More Than Freedom* chronicles this epic struggle through the lives of black and white abolitionists in and around Boston, including Frederick Douglass, Senator Charles Sumner, and

# Access Free Chicago Manual Of Style

lesser known but equally important figures. Their bold actions helped bring about the Civil War, set the stage for Reconstruction, and left the nation forever altered.
