with holes (If you are using notebook paper) 1/3 of the way over to the right. Now, with a pen, start where the horizontal lines are, and draw along the fold.

How to Use Cornell Notes : 6 Steps - Instructables

Every Cornell note-taking template in Notion has gotten it wrong because of this. Easiest way to fake it is to have the notes and/or questions be in a toggle and have the toggles lined up. I actually believe the best way to actually "fix" these templates is to have each question and answer separated with a full line across the page underneath them both before the next question and answer.
