She has a secret. I'm complicated. Not broken or ruined or running from a past I can't face. Just complicated. I thought my life couldn't get any more tangled in deceit and confusion. But I hadn't met him. I hadn't realized how far I could fall or what I'd have to do to get free. He has a secret. I've never pretended to be good or deserving. I chase who I want, do what I want, act how I want. I didn't have time to lust after a woman I had no right to lust after. I told myself to shut up and stay hidden. But then she tried to run. I'd tasted what she could offer me and damned if I would let her go. Secrets destroy them. "Pepper Winters is known for her Dark Erotica. This book is more a Grey Romance. It isn't fluffy, and still deals with darker subjects, but it isn't brutal." Destroyed is a complicated love story between a man with a terrible past and a woman who holds his cure. A man who finds redemption in love and a woman who loses her heart and reason for living. Death brings life, and destruction brings new beginnings. Complete at 144,000 words. No cliffhanger. Stand alone. HEA

The first full-scale history of Hannibal's Carthage in decades and "a convincing and enthralling narrative." (The Economist) Drawing on a wealth of new research, archaeologist, historian, and master storyteller Richard Miles resurrects the civilization that ancient Rome struggled so mightily to expunge. This monumental work charts the entirety of Carthage's history, from its origins among the Phoenician settlements of Lebanon to its apotheosis as a Mediterranean empire whose epic land-and-sea clash with Rome made a legend of Hannibal and shaped the course of Western history. Carthage Must Be Destroyed reintroduces readers to the ancient glory of a lost people and their generations-long struggle against an implacable enemy.

First published in 1967, this book consists of three short novellas on the theme of women's vulnerability __ in the first, to the process of ageing, in the second to loneliness, and, in the third, to the growing indifference of a loved one.

Hit, create, break, rip, destroy, paint, kill, bury, and resurrect this book. Funny and creative gift for a loved one.

First in a duology that reimagines fairy tale tropes within a space opera!The Princess Bride meets Princess Leia. Rory Thorne is a princess with thirteen fairy blessings, the most important of which is to see through flattery and platitudes. As the eldest daughter, she always imagined she'd inherit her father's throne and govern the interplanetary Thorne Consortium. Then her father is assassinated, her mother gives birth to a son, and Rory is betrothed to the prince of a distant world. When Rory arrives in her new home, she uncovers a treacherous plot to unseat her newly betrothed and usurp his throne. An unscrupulous minister has conspired to name himself Regent to the minor (and somewhat foolish) prince. With only her wits and a small team of allies, Rory must outmaneuver the Regent and rescue the prince. How Rory Thorne Destroyed the Multiverse is a feminist reimagining of familiar fairytale tropes and a story of resistance and self-determination;how small acts of rebellion can lead a princess to not just save herself, but change the course of history.

From the New York Times bestselling author of the Legion of the Damned® novels and the Mutant Files series comes the second novel in a postapocalyptic military science fiction series about America struggling to overcome a natural disaster but starting a second civil war! As people fight to survive the aftereffects of more than a dozen meteor strikes, a group of wealthy individuals conspires to rebuild the United States as a corporate entity called the New Confederacy, where the bottom line is law. As a second civil war rages, with families fighting against families on opposite sides, Union president Samuel T. Sloan battles to keep the country whole. To help in the fight for unity, Union Army captain Robin (Mac) Macintyre and her crew of Stryker vehicles are sent after the ruthless (warlord of warlords,) an ex:Green Beret who rules a large swath of the West. But defeating him will be even more difficult than she thought. The warlord is receiving military assistance from Mac's sisterand rival:Confederate major Victoria Macintyre. And when the siblings come together in the war-torn streets of New Orleans, only one of them will walk away.

Investigative food journalist Barry Estabrook reveals the huge human and environmental cost of the five billion dollar fresh tomato industry and the price we pay as a society when we take taste and thought out of our food purchases.

is part of the book series " Hilarious fake book covers." It can be given as a fake gift for birthdays, Christmas or whenever you want. Or you can read it on public transports, just to catch the passengers' eyes.Please notice that books in this series have no content, since they're usually bought for their funny cover.

Six years ago, the team hired to kill Mila Voss reported her death. Now she's shown up on a Tanzanian hotel security camera. Jonathan Quinn, a cleaner who'd been responsible for the body's disposal, is being tracked by those who paid for Mila's death.

A New York Times Notable Book of 2018 |Searingly passionate|Nixey writes up a storm. Each sentence is rich, textured, evocative, felt:[A] ballista-bolt of a book.!! New York Times Book Review In Harran, the locals refused to convert. They were dismembered, their limbs hung along the town's main street. In Alexandria, zealots pulled the elderly philosopher-mathematician Hypatia from her chariot and flayed her to death with shards of broken pottery. Not long before, their fellow Christians had invaded the city's greatest temple and razed it,smashing its world-famous statues and destroying all that was left of Alexandria's Great Library. Today, we refer to Christianity's conquest of the West as a triumph.!! But this victory entailed an orgy of destruction in which Jesus's followers attacked and suppressed classical culture, helping to pitch Western civilization into a thousand-year-long decline. Just one percent of Latin literature would survive the purge; countless antiquities, artworks, and ancient traditions were lost forever. As Catherine Nixey reveals, evidence of early Christians' campaign of terror has been hiding in plain sight: in the palimpsests and shattered statues proudly displayed in churches and museums the world over. In The Darkening Age, Nixey resurrects this lost history, offering a wrenching account of the rise of Christianity and its terrible cost.
