"iMaths is an investigative-based numeracy program that comprehensively addresses both the content and proficiency strands of the Australian curriculum."--Back cover.

" iMaths is an investigative-based numeracy program thath comprehensively addresses both the content and proficency strands of the Australian curriculum". -- Back cover.

" iMaths is an investigation-based numeracy program that comprehensively addresses both the content and proficiency strands of the Australian Curriculum from Foundation to Year 6." -- Back cover.

" iMaths is an investigation-based numeracy program that comprehensively addresses both the content and proficiency strands of the Australian Curriculum." - Back cover.

" iMaths is an investigation-based numeracy program that comprehensively addresses both the content and proficiency strands of the Australian Curriculum." - Back cover.

iMaths is an investigative-based numeracy program that comprehensively addresses both the content and proficiency strands of the Australian curriculum. Content strands - Number & Algebra, Measurement & Geometry, and Statistics & Probability - are developed through iMaths Topics. Proficiency strands - Understanding, Fluency, Problem Solving and Reasoning - are applied and practised through iMaths Investigations. Investigations foster deeper understanding of maths concepts, as students use critical and creative thinking skills within real-life mathematical contexts. This Teacher Book includes: notes, solutions and strategies for each Investigation; an A - E rubric for each Investigation; answers to Student Book Topics; solutions to problem solving tasks; answers to Tracker Book assessment items; and answers to readiness test.

IMaths is a whole school numeracy program written for the Essential Learnings. The iMaths tracker books contain an assessment page for each of the iMaths topics with carefully designed questions in increasing order of difficulty. This provides a yearly record of a student's progress and achievement in the knowledge and understanding dimension of the Essential Learnings, developed through the iMaths topics. This tracker book also contains a Student Achievement Profile to summarise the student's achievement throughout the year!-- Back cover.
