Living Terraces in Ethiopia: Konso Landscape, Culture and Development. Terraced agricultural landscapes in Africa are remarkable feats of human engineering and social organization, enabling the conservation of soil and water and the cultivation of food. Indigenous terraced landscapes are all the more valuable because they have been produced by the people themselves and maintained for several hundred years, evidencing a valuable degree of sustainability.

*Living Terraces In Ethiopia Konso Landscape Culture ...*

Konso Cultural Landscape is a 55 square km arid property of stone walled terraces and fortified settlements in the Konso highlands of Ethiopia. It constitutes a spectacular example of a living cultural tradition stretching back 21 generations (more than 400 years) adapted to its dry hostile environment.
