Online Library Management Information

~~Amazon Best Sellers:
Best Management
Information Systems
Second Edition~~

Management
Information System,
commonly referred to
as MIS is a phrase
consisting of three
words: management,
information and
systems. Looking at
these three words,
it's easy to define

Online Library Management

Management

Information Systems
as systems that
provide information to

management. That is
the simple definition
of MIS that generally
sums up what a
Management
Information System is,
and what it should do.
