VoiceStation 500 User Guide

I'm using Polycom VoiceStation 300 with brasilian PBX called "intelbrás Impacta" model "220" and I changed flashtime from 600ms to 300ms, using your instructions, and fixed my problem. The only issue was I needed to use France country code (14022) instead Brasil country code (00020) to fix Flash problem. Thanks! Sandro
