KANE ARKWRIGHT SUPERNATURAL THRILLERS Vampires, magic and relics with the power to destroy humanity. Welcome to Kane's world. The vampires just woke up from a 1000-year slumber.

Cocky vampires, mythical swords, steady Glocks and ghost hordes. Welcome to my world.Thousands of vampires just woke up from a 1000-year slumber. Before nap-time they buried their fortunes around the world. Now they want their hidden treasures back. It's my job to get to the relics first. My partner Rebel and I need to track down and dig up hundreds of ancient items, and fast. They're worth, well, whatever comes after quadrillions. Most of them also happen to pack nasty supernatural powers. Our latest target is a sword with the power to destroy the world. We just have to get past the grumpy blood suckers, the biting ghost hordes and a particularly nasty wizard.But who am I kidding? Sneaking around won't work. Not when it comes to vampires. There's really only one way this can end. On the edge of a blade.If you like Kevin Hearne, McKenzie Hunter, John P. Logsdon, Larry Correia, Orlando Sanchez or Shayne Silvers, you will LOVE the first installment in the Kane Arkwright series.Click BUY NOW to travel the globe with supernatural treasure hunters who do it for the wealth, the glory and the undead body count.

What would you do if an odd girl in a cloak told you, "You know you're a descendant of King Arthur's knight, Lancelot, right?" You'd probably do the same thing 14-year-old New Yorker Simon Sharp does. Back away nice and slow. But Simon learns the truth when he's kidnapped by a drunk troll, rescued by a 7-foot man named Merlin, and thrown into training with 149 other heirs of the Knights of the Round Table. Can Simon survive a prophecy that predicts the world will be saved through its destruction? The Camelot Kids is about one boy's struggle to make it to tomorrow in a world both real and fantastic.

This sweeping survey of the history of work, from hunter-gatherers to dotcom telecommuters, deftly compresses thousands of years of human evolution into an incisive volume It is a book about work, about the organization and management of work, but it is also a book about people.

Two people on the run will find a new magical and dangerous adventure...Yue Fei finally receives his very own egg, but when the white dragon hatches, it is received as an evil omen. Fleeing his country to protect his dragon, he finds Cajsá also fleeing her home. Running from an arranged marriage and her overprotective mother, Cajsá feels the only way to fix her life is to find her father, the illusive assassin, Whisper. But finding the missing Katrin proves difficult and treacherous for the two adventurers. To find the answers they seek, they must find The Fates, believing it's their only way to succeed. Instead of a straight answer the all knowing beings send them on a quest to rescue another captive from an enemy all but forgotten.

from its first settlement to the present time : with numerous biographical and family sketches

Goodreads reviews - 4.61 Stars from 18 RatingsBetrayal. Tragedy. A horndog troll. Three things Kane just can't avoid. Rebel is on the run. Kane's partner has disappeared and he's determined to track her down and help her. Whether she likes it, or not. First step? Find the fabled vampire tomb under Buckingham Palace. All signs point to Rebel being there recently. If only Kane knew someone who could pilot a plane, and fight like a pro. Oh, and who had royal connections. Enter Dino, the troll. Yeah, he has some high-rolling connections in London. Just don't ask him for any details. Not if you want to hold onto your breakfast. Kane and Dino use trains, helicopters and magic to cross the United Kingdom in search of Rebel. Can they find her before she makes a mistake that could give the game, set and match to the Vampire Emperor and his allies? This essay collection examines the theory and history of graphic narrative as one of the most interesting and versatile forms of storytelling in contemporary media culture. Its contributions test the applicability of narratological concepts to graphic narrative, examine aspects of graphic narrative beyond the 'single work', consider the development of particular narrative strategies within individual genres, and trace the forms and functions of graphic narrative across cultures. Analyzing a wide range of texts, genres, and narrative strategies from both theoretical and historical perspectives, the international group of scholars gathered here offers state-of-the-art research on graphic narrative in the context of an increasingly postclassical and transmedial narratology. This is the revised second edition of From Comic Strips to Graphic Novels, which was originally published in the Narratologia series.
