'Summer, Highland Falls' They say that these are not the best of times ... Now I have seen that sad surrender in my lover's eyes And I can only stand apart and sympathize For we are always what our situations hand us It's either sadness or euphoria So we'll argue and we'll compromise And realize that nothing's ever changed

Billy Joel - Summer, Highland Falls Lyrics | AZLyrics.com
A staple of Hiroshima Revisionism has been the contention that the government of Japan was prepared to surrender during the summer of 1945, with the sole proviso that its sacred emperor be retained.

That Summer Of Surrender
" A Summer to Surrender " is the 3rd installment in the " Season " series by Jess. And it is one of those books where you should read the whole series to get all the details right. It ’ s a rather short book, only a little over 200 pages – unfortunately.

One Summer of Surrender (Seasons, #3) by Jess Michaels
Directed by Kevin Connor. With Adam Mayfield, Anielle Keibel, Haylie Duff, Sean O'Bryan. Tom Campbell joined the US army after breaking up with Chelsea, who meanwhile became mayor of his coastal California home town. Tom returns to the town to run his grandmother's B&B "Cupid's" while she's in hospital, hoping to become a professional bodyguard afterward with his army buddy Steve.

Connor Major's summer break

Connor Major's summer break is turning into a nightmare. When he comes out to his religious zealot mother, she has him kidnapped and shipped off to a conversion therapy camp that will be his new home until he " changes. " Connor plans to escape, but first, he ' s exposing the camp ' s horrible truths for what they are—and taking the place down.

The Battle of Britain: the testing time for the pilots of the R.A.F. - and the Luftwaffe. In the skies over the Channel, young men were proving their courage to the enemy, to their comrades, and to themselves... Flying Officer Peter Knight and Lieutenant Erich Hafner had begun to recognise the markings of each other's aircraft. They had clashed in so many dogfights that now both men waited to catch a glimpse of the other's plane: each sought out and stalked his special enemy. And their final deadly dogfight, when it came, shattered the whole of 172 Squadron... An action-packed war thriller pitting one man's personal mission against the fate of the Battle of Britain.

" WWII scholar John Kelly triumphs again " (Vanity Fair) in this remarkably vivid account of a key moment in Western history: The critical six months in 1940 when Winston Churchill debated whether England should fight Nazi Germany—and then decided to " never surrender. " London in April, 1940, is a place of great fear and conflict. The Germans have taken Poland, France, Holland, Belgium, and Czechoslovakia. The Nazi war machine now menaces Britain, even as America remains uncommitted to providing military aid. Should Britain negotiate with Germany? The members of the War Cabinet bicker, yell, and are divided. Churchill, leading the faction to fight, and Lord Halifax, cautioning that prudence is the way to survive, attempt to usurp one another by any means possible. In Never Surrender, we feel we are alongside these complex and imperfect men, determining the fate of the British Empire, and perhaps, the world. Drawing on the War Cabinet papers, other government documents, private diaries, newspaper accounts, and memoirs, historian John Kelly tells the story of the summer of 1940. Kelly takes readers from the battlefield to Parliament, to the government ministries, to the British high command, to the desperate Anglo-French conference in Paris and London, to the American embassy in London, and to life with the ordinary Britons. We see Churchill seize the historical moment and ultimately inspire his government, military, and people to fight. Kelly brings to life one of the most heroic moments of the twentieth century and intimately portrays some of its largest players—Churchill, Lord Halifax, Hitler, FDR, Joe Kennedy, and others. Never Surrender is a fabulous, grand narrative of a crucial period in World War II and the men and women who shaped it. " For lovers of minute-by-minute history, it ’ s a feast " (Huffington Post).

From the New York Times bestselling author Meg Wolitzer, a " devastatingly on target " (Elle) novel about a young woman's accidental death and its effect on her family and friends. For years, Sara Swerdlow was transported by an unlettered sense of immortality. Floating along on loving friendships and the adoration of her mother, Natalie, Sara's notion of death was entirely alien to her existence. But when a summer night's drive out for ice cream ends in tragedy, thirty-year-old Sara—"held aloft and shimmering for years"—finally lands. Mining the intricate relationship between love and mourning, acclaimed novelist Meg Wolitzer explores a single, overriding question: who, finally, "owns" the excruciating loss of this young woman—her mother or her closest friends? Depicting the aftermath of Sara's shocking death with piercing humor and shattering realism, Surrender, Dorothy is the luminously thoughtful, deeply moving exploration of what it is to be a mother and a friend, and, above all, what it takes to heal from unthinkable loss.

Three Americans in the Jim Crow South face enormous changed triggered by World War II in this epic novel by the Pulitzer-winning author of Freeman. Could you find the courage to do what ’ s right in a world on fire? An affluent white marine survives Pearl Harbor at the cost of a black messman ’ s life only to be sent, wracked with guilt, to the Pacific and taken prisoner by the Japanese. A young black woman, widowed by the same events at Pearl Harbor, finds unexpected opportunity and a dangerous friendship in a segregated Alabama shipyard feeding the war. Meanwhile, a black man, who as a child saw his parents brutally lynched, is conscripted to fight Nazis for a country he despises and discovers a new kind of patriotism in the all-black 761st Tank Battalion . . . Set against a backdrop of violent racial conflict on both the front lines and the home front, The Last Thing You Surrender explores the powerful moral struggles of individuals from a divided nation. What does it take to change someone ’ s mind about race? What does it take for a country and a people to move forward, transformed? Praise for The Last Thing You Surrender " A story of our nation at war, with itself as well as tyranny across the globe. It ’ s an American tapestry of hatred, compassion, fear, courage, and cruelties, leavened with the promise of triumph. A powerful story I will not soon forget. " —James R. Benn, author of the Billy Boyle WWII mysteries " Seamlessly integrates impressive research into a compelling tale of America at war—overseas, at home, and within ourselves, as we struggle to find the better angels of our nature. Pitts poignantly illustrates ongoing racial and class tensions, and offers hope that we can overcome hatred by refusing to sacrifice dignity. " —Booklist, starred review

Sex is the only thing they have in common. Total surrender the name of the game. James had it all. Good education. City job and a wife he would have been willing to die for. Their motto had been work hard, play hard, but she'd pushed the boundaries too far and he'd walked. Became the man he felt he needed to be. Detached. In control.Free spirit Kezia lives each day at a time; sharing, loving and giving are unconditional. And sex is part of the sharing.When fate leaves James and Kezia trapped together for the summer, her openness is an invitation he just can't resist. The attraction is instant, the sex all-consuming. And as their fantasies become reality, James begins to realise that willing surrender is a far different pleasure to forced submission...

She's the only one who can see through his golden boy fa ç ade to the broken god within... Chrysender Notos, Supreme God of the South Wind and Summer, is on a mission: save Eurus from his death sentence, and prove his troubled brother can be redeemed. But Eurus fights back, triggering vicious summer storms that threaten the mortal realm, dangerously drain Chrys, and earn the ire of the Olympic gods who ordered Eurus dead. Laney Summerlyn refuses to give up her grandfather's horse farm, despite her deteriorating vision. More than ever, she needs the organized routine of her life at Summerlyn Stables, until a ferocious storm brings an impossible—and beautiful—creature crashing down from the heavens. Injured while fighting Eurus, Chrys finds himself at the mercy of a mortal woman whose compassion and acceptance he can't resist. As they surrender to the passion flaring between them, immortal enemies close in, forcing Chrys to choose between his brother and the only woman who's ever loved the real him. Each book in the Hearts of the Anemoi series is STANDALONE: * North of Need * West of Want * South of Surrender * East of Ecstasy
