The Churn: An Expanse Novella (The Expanse) - Kindle ...

The Churn is an additional book to the Expanse series, set before the series' beginnings and chronicling some events in the life of one of my favorite characters, Amos Burton. Amos, or Jimmy, is a low level thug with a lot of issues and a broken moral compass. And that is what makes him so compelling.

The Churn (The Expanse, #3.5) by James S.A. Corey

Wanted: One agile Boomer with keen eye for detail and building nous, to chaperone slightly bewildered former slacker/Gen Xer and building know-nothing to open homes. Must be a no-nonsense straight ...

The River Churn is a tributary of the River Thames in central England. It rises at Seven Springs in Gloucestershire and flows south for approximately 37.3 km (23.2 mi) to meet the Thames at Cricklade in Wiltshire. Its length from its source to confluence with the Thames is greater than that of the Thames from Thames Head, though the Churn is regarded as a tributary rather than the main river.

River Churn - Wikipedia

2 : a regular, quantifiable process or rate of change that occurs in a business over a period of time as existing customers are lost and new customers are added The biggest problem they face is churn. Wireless providers lose an average of about 30% of their customers a year to competitors.

Churn rate (sometimes called attrition rate), in its broadest sense, is a measure of the number of individuals or items moving out of a collective group over a specific period. It is one of two primary factors that determine the steady-state level of customers a business will support.

Churn rate - Wikipedia

Churn definition: A churn is a container which is used for making butter. | Meaning, pronunciation, translations and examples

Churn definition and meaning | Collins English Dictionary

User churn is the number of customers you're losing in a given timeframe (typically per month or year). But there's also revenue churn, which is arguably even more important. Revenue churn is the amount of revenue you're losing in a given timeframe due to downgrades or cancellations.
