readers alike. It includes Botticelli's glorious and relatively unknown illustrations of THE DIVINE COMEDY, drawn in the 1480s.

Dante's Divine Comedy is widely considered to be one of the most significant works of literature ever written. It is renowned not only for its ability to make truths known but also for its power to make them loved. It captures centuries of thought on sin, love, community, moral living, God's work in history, and God's ineffable beauty. Like a Gothic cathedral, the beauty of this great poem can be appreciated at first glance, but only with a guide can its complexity and layers of meaning be fully comprehended. This accessible introduction to Dante, which also serves as a primer to the Divine Comedy, helps readers better appreciate and understand

Dante's spiritual masterpiece. Jason Baxter, an expert on Dante, covers all the basic themes of the Divine Comedy, such as sin, redemption, virtue, and vice. The book contains a general introduction to Dante and a specific introduction to each canticle (Inferno, Purgatorio, and Paradiso), making it especially well suited for classroom and homeschool use.

□[W]e are strong, we are beautiful and we should be proud of our culture, our stories, our languages.□ □ Danzal Baker (aka Baker Boy) Homeland Calling is a collection of poems created from hip-hop song lyrics that channel culture and challenge stereotypes. Written by First Nations youth from communities all around Australia, the powerful words display a maturity beyond their years. Edited by award-winning author and poet Ellen van Neerven, and brought to

generation of readers--taking them on a guided tour through heaven, purgatory, and hell. (Formerly titled To Hell and Back with Dante)  
Paperback

In the stories by Anton Chekhov there is no seriousness of the plot, as in Dostoevsky's novels, but together with simplicity and funny side of everyday life Chekhov's characters are not less dramatic or deep. However, polished sarcasm is not an obstacle for Chekhov to show his characters in a warm and realistic way. There is no grotesque of Saltikov-Schedrin who turns people into images; we can recognise an ordinary modern man on the pages of Chekhov's stories.

This edition of the complete Divine comedy in English features

Longfellow's translation and engravings by Gustave Doré.

A collection of old and new classics celebrates poems of the sea with the work of Tennyson, Poe, Coleridge, Shakespeare, Homer, Plath, and many others.

Belonging in the immortal company of the works of Homer, Virgil, Milton, and Shakespeare, Dante Alighieri's poetic masterpiece is a visionary journey that takes readers through the torment of Hell. The first part of Dante's Divine Comedy is many things: a moving human drama, a supreme expression of the Middle Ages, a glorification of the ways of God, and a magnificent protest against the ways in which men have thwarted the divine plan. One of the few literary works that has enjoyed a fame both immediate and

## Read Online The Divine Comedy Everymans Library Clics

enduring, The Inferno remains powerful after seven centuries. It confronts the most universal values—good and evil, free will and predestination—while remaining intensely personal and ferociously political, for it was born out of the anguish of a man who saw human life blighted by the injustice and corruption of his times. Translated by John Ciardi With an Introduction by Archibald T. MacAllister and an Afterword by Edward M. Cifelli

This Everyman's Library edition—containing in one volume all three cantos, Inferno, Purgatorio, and Paradiso—includes an introduction by Nobel Prize-winning poet Eugenio Montale, a chronology, notes, and a bibliography. Also included are forty-two drawings selected from Botticelli's marvelous late-fifteenth-century series of illustrations. Translated in this edition by Allen Mandelbaum, The

Divine Comedy begins in a shadowed forest on Good Friday in the year 1300. It proceeds on a journey that, in its intense recreation of the depths and the heights of human experience, has become the key with which Western civilization has sought to unlock the mystery of its own identity. Mandelbaum's astonishingly Dantean translation, which captures so much of the life of the original, renders whole for us the masterpiece of that genius whom our greatest poets have recognized as a central model for all poets.

The California Lectura Dantis is the long-awaited companion to the three-volume verse translation by Allen Mandelbaum of Dante's Divine Comedy. Mandelbaum's translation, with facing original text and with illustrations by Barry Moser, has been praised by Robert Fagles as "exactly what we have waited for these years, a Dante

with clarity, eloquence, terror, and profoundly moving depths," and by the late James Merrill as "lucid and strong . . . with rich orchestration . . . overall sweep and felicity . . . and countless free, brilliant, utterly Dantesque strokes." Charles Simic called the work "a miracle. A lesson in the art of translation and a model (an encyclopedia) for poets. The full range and richness of American English is displayed as perhaps never before." This collection of commentaries on the first part of the Comedy consists of commissioned essays, one for each canto, by a distinguished group of international scholar-critics. Readers of Dante will find this Inferno volume an enlightening and indispensable guide, the kind of lucid commentary that is truly adapted to the general reader as well as the student and scholar.
