Ethical Implications of Embryo Adoption | IntechOpen

The ethical status of embryo adoption, or heterotopic embryo transfer, remains an active debate within Catholic moral theology. Opponents of the practice compare the act of embryo adoption to surrogacy or

Download File PDF The Ethics

extramarital procreation, and the debate is framed around the question of whether it is morally licit for a woman, married or unmarried, to gestate a genetically unrelated embryo in her uterus.

Critics argue that the administration is using the embryo adoption program to confer upon the embryo the rights of a fully developed person, as if it were a baby.

Much of this argument stems from the use of the term "adoption." How, critics argue, can one "adopt" a
