LOS ANGELES TIMES BESTSELLER \* WINNER OF THE NAUTILUS BOOK AWARD \* "In a world full of spiritual seekers, Megan Griswold is an undisputed all-star. What a delightful journey!"--Elizabeth Gilbert, #1 New York Times bestselling author of Big Magic and Eat, Pray, Love The Book of Help traces one woman's life-long quest for love, connection, and peace of mind. A heartbreakingly vulnerable and tragically funny memoir-in-remedies, Megan Griswold's narrative spans four decades and six continents--from the glaciers of Patagonia and the psycho-tropics of Brazil, to academia, the Ivy League, and the study of Eastern medicine. Megan was born into a family who enthusiastically embraced the offerings of New Age California culture--at seven she asked Santa for her first mantra and by twelve she was taking weekend workshops on personal growth. But later, when her newly-wedded husband calls in the middle of the night to say he's landed in jail, Megan must accept that her many certificates,

If I knew, I wouldn't be staring at her tan legs and attempting to teach her statistics. Sorority girl, fine as f\*\*k, determined, ball buster... these are the things I knew about her. What I didn't know is that she is all the things I didn't realize I wanted or needed. Or that one semester with her would change everything.
