Westerns are devoted to telling stories set primarily in the latter half of the 19th century in the American Old West, but there are also a number of works about Western-type characters in contemporary settings. Westerns often stress the harshness of the wilderness and frequently set the action in an arid, desolate landscape.

"The world has a new hero — actually an old hero reimagined — George Armstrong Custer, in this delightfully funny alternative history that's better, or at least happier, than the real thing." —WINSTON GROOM, bestselling author of Forrest Gump and El Paso "Droll satire, this is the West as it might have been if the Sioux hadn't saved us."—STEPHEN COONTS, bestselling author of Flight of the Intruder and Liberty's Last Stand "A good, old-fashioned yarn.... There is much to enjoy in Crocker's book." —AUSTIN RUSE, American Greatness "If Custer died for our sins, Armstrong resurrects him for our delight. Not just the funniest book ever written about an Indian massacre, but laugh out loud funny, period. The best historical comic adventure since George MacDonald Fraser's Flashman." —PHILLIP JENNINGS, author of Nam-A-Rama and Goodbye Mexico "Crocker has created a hilarious hero for the ages. Armstrong rides through the Old West setting right the wrongs, and setting wrong the rights, in a very funny cascade of satire, history, and even patriotism." —ROB LONG, Emmy- and Golden

Globes-nominated screenwriter and co-executive producer of Cheers "Crocker ' s Custer, a milk-drinking, sharp-shooting master of disguises, takes us on a series of uproarious adventures in the persona of Armstrong.... Armstrong is an extraordinary hero— a military strategist, a courageous fighter and some sort of dog whisperer to boot. He ' s also a dashing romantic with a knack for making women swoon....I ' ll look forward to finding out where duty calls Armstrong next." -- The Washington Examiner "I ' ve thoroughly enjoyed Harry Crocker ' s latest, a satirical alternative history about Michigan ' s own George Armstrong Custer, simply and cleverly entitled Armstrong. In Crocker ' s world, Custer survived a butchering by Crazy Horse at the Battle of Little Bighorn and has become a Victorian paladin and celebrity, doing everything over the top and then some more beyond the top. Crocker knows his history, so his anti-history is knock-down, pain in the stomach, hilarious...Even within the slap-stick outrageousness, there lurk and hover very meaningful and subtle points and comments. In other words, Crocker has produced a fictional masterpiece." - BRADLEY BIRZER, the Russell Amos Kirk Chair in History at Hillsdale College "Action-packed and great for laughs... Fathers will love reading this book with their sons. Patriots will love it, too.... Prepare to delight in American history and heroism, unencumbered by trigger warnings." -- The American Thinker "This is the kind of book young people should want to read, which will challenge them and widen their horizons. It is part history, part humor, part drama, and all-around entertainment." - JAMES ROBBINS, author of "Erasing America: Losing Our Future by Destroying Our Past." "A sly and funny revisionist take on an icon of the American West." - City Journal "The conservative novel of the year... Armstrong is a rollicking work of alternate history that doesn ' t sacrifice accurate details or historical nuance for the sake of your entertainment.... Armstrong ' s Custer is a hero to love and admire." -- GRACE HOUGHTEN, The Conservative Book Club "H.W. Crocker has irresistible fun with George Armstrong Custer...a hilarious

adventure." -- The American Spectator "If you like learning history while laughing, you'll like this book...marvelous satire." -- DAVID LIMBAUGH, #1 bestselling author of *The True Jesus and The Great Destroyer: Barack Obama's War on the Republic* What if Custer survived the Battle of the Little Bighorn? What if he became a gun-for-hire? And what if he made common cause with a troupe of cancan dancers, Chinese acrobats, an eyepatch-wearing rebel cardsharp, and a multilingual Crow scout? Eager to clear his name from the ignominy of his last stand - but forced to do so incognito, under the clever pseudonym Armstrong - Custer comes across evildoings in the mysterious Montana town of Bloody Gulch, which a ruthless Indian trader runs as his own personal fiefdom, with rumors of murder, slavery, and buried treasure. Armstrong is a rip-roaring tale of action, adventure, and hilarity as the ridiculously handsome, astonishingly brave, and highly susceptible milk-drinking cavalryman travels through the untamed West. The Custer of the West Series begins here — and it's a wild ride you won't want to miss.

Crystal Clark arrives in Colorado's Yampa Valley amid the splendor of a high country June in 1892. After the death of her father, Crystal is relieved to be leaving the troubles of her Georgia life behind to visit her aunt Kate's cattle ranch. Despite being raised as a proper Southern belle, Crystal is determined to hold her own in this wild land--even if a certain handsome foreman doubts her abilities. Just when she thinks she's getting a handle on the constant male attention from the cowhands and the catty barbs from some of the local young women, tragedy strikes the ranch. Crystal will have to tap all of her resolve to save the ranch from a greedy neighboring landowner. Can she rise to the challenge? Or will she head back to Georgia defeated? Book one in the Heart of the West series, *No Place for a Lady* is full of adventure, romance, and the indomitable human spirit. Readers will fall in love with the Colorado

setting and the spunky Southern belle who wants to claim it as her own.

April McBride has suffered a broken engagement once before and fully intends to guard her heart when she travels to Lewistown, Montana, to attend her brother's wedding. One look around the small mining town convinces April that this won't be difficult--just a bunch of dusty shops, bad service, and ill-bred cowboys. But a run-in with a horse trainer named Wes Owen opens up vast possibilities for frustration, embarrassment, friendship, and . . . love? Can April and Wes see past their differences in order to envision a future together? Readers will love going on this adventurous, spark-filled ride through turn-of-the-century Montana. Praise for Maggie Brendan: "Brendan's gentle style of prairie romance is reminiscent of Janette Oke . . . capturing the heart of the old West with romance that will make you sigh."--Julie Lessman, author of the Daughters of Boston series "Brendan blends colorful characters, lively dialogue, and intriguing historical details."--Amanda Cabot, author of Paper Roses and Scattered Petals

Lauren had been raised to not be afraid of anything, and she lived by that code, that is until her dad died and left everything in her hands. Now she ' s not only in charge of her two younger sisters, but she ' s running a full-blown Texas ranch. Caring for a thousand acre ranch has its ups and downs, physically, mentally, and financially. All she is looking for is a little break. What she doesn't have time for is someone who will only complicate her life further. Chase is back in his hometown. Helping his dad with his veterinary practice is high on his list. So is being with the lovely Lauren West. Years ago, he found a unique way to bind them together. Now all he has to do is prove to her that he ' s the right man to spend the rest of her life with.

Adventurer, Eben St. Claire has big plans for his future... plans that do not include romantic entanglements. Yet, the lure of gold is a powerful motivator, so when a dying old man begs a simple favor, Eben can hardly refuse. He soon discovers it's a devil's deal he's entered into... a thousand dollars in gold to escort the old Frenchman's sweet and dutiful daughter to the East and see her settled... and since he is headed East anyway, how hard can it be? Winner of the Best First Western Historical Romance Award from Romantic Times.

In 1750, Thomas Gunn, along with three friends, join the Hudson's Bay Company and sail from Stromness on the Orkney Islands of northern Scotland to York Factory fort on Hudson's Bay. They believe they are starting a new and exciting life in what is called Rupert's Land, but tragedy follows them, striking for the first time on the ship. At the fort Thomas finds his older brother, Edward, who had joined four years earlier. He also meets Little Bird, sister of Edward's wife, and her family. During the first year Thomas takes part in the goose and duck hunts, the fishing, the woodcutting, Guy Fawkes Day, the Christmas celebrations, and the burial of a friend. He also deals with the snowfall, the cold, the boredom, and a suicide, and learns how to survive in the lonely and sometimes inhospitable land.

"A novel of court intrigue and action-packed military adventure,"\* Joanna Hathaway's *Dark of the West*, is a breathtaking YA fantasy debut--first in the *Glass Alliance* series. A pilot raised in revolution. A princess raised in a palace. A world on the brink of war. Aurelia Isendare is a princess of a small kingdom in the North, raised in privilege but shielded from politics as her brother prepares to step up to the throne. Halfway around the world, Athan Dakar, the youngest son of a ruthless general, is a fighter

## Acces PDF The West Series Books 1 3 Contemporary Romance Series West Series Boxset

pilot longing for a life away from the front lines. When Athan ' s mother is shot and killed, his father is convinced it ' s the work of his old rival, the Queen of Etania—Aurelia ' s mother. Determined to avenge his wife ' s murder, he devises a plot to overthrow the Queen, a plot which sends Athan undercover to Etania to gain intel from her children. Athan ' s mission becomes complicated when he finds himself falling for the girl he ' s been tasked with spying upon. Aurelia feels the same attraction, all the while desperately seeking to stop the war threatening to break between the Southern territory and the old Northern kingdoms that control it—a war in which Athan ' s father is determined to play a role. As diplomatic ties manage to just barely hold, the two teens struggle to remain loyal to their families and each other as they learn that war is not as black and white as they ' ve been raised to believe. “ Heart-pounding . . . will leave the reader wanting more. ” —\*#1 New York Times bestselling author Melissa de la Cruz At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

An account of the early years of World War II based on extensive new research: “ A genuinely fresh approach . . . exceptional ” (The Wall Street Journal). James Holland, one of the leading young historians of World War II, has spent over a decade conducting new research, interviewing survivors, and exploring archives that have never before been so accessible to unearth forgotten memoirs, letters, and official records. In *The Rise of Germany 1938 – 1941*, Holland draws on this research to reconsider the strategy, tactics, and economic, political, and social aspects of the war. *The Rise of Germany* is a masterful book that redefines our understanding of the opening years of World War II. Beginning with the lead-up to the outbreak of war in 1939 and ending in the middle of 1941 on the eve of Operation Barbarossa, the Nazi invasion of Russia, this book is a landmark history of the war on land, in the air,

and at sea. “ Magnificent. ” —Andrew Roberts, New York Times – bestselling author of The Storm of War

Romance readers have taken to Maggie Brendan's softer romantic style that perfectly captures life on the American frontier, introducing them to rugged, independent souls and their inner spiritual struggles, and the quest for love that makes for a satisfying read every time. Set in 1890s Montana, The Jewel of His Heart finds Juliana drawn to a handsome, gentle shepherd--but sparks fly when he considers mining, the occupation that lured her father away from his family. Both Josh and Juliana must make a choice--the world's riches and promises, or the eternal value of love. Praise for Maggie Brendan's first book: "You won't want to set this book down."--Romantic Times, 4½-star review "This gentle romance set among the rugged beauty of the Colorado foothills will warm readers' hearts."--Kim Vogel Sawyer

History can turn on the smallest of things. In the history we know, King George II's son Prince Frederick was an obscure footnote of history. Hated by his father (who threatened to exile him to the American colonies), his political career cut short when he was fatally struck by a cricket ball, of all things. The Prince never became King Fred and instead the throne passed to his inexperienced son, George III, who proceeded to lose America. But what if one tiny slight - a trip on a coronation carpet, a misplaced laugh - had tipped George II over the edge and he had made good on his threat? What if, in the year George Washington was born, the American colonies had found themselves home to an exiled Prince stripped of his inheritance? And what if that Prince had ambitions to reclaim his birthright by any means necessary, including with the help of his colonial subjects...? The Look to the West series begins with the story of Frederick and the very different America that results from his exile, but it is a tale that encompasses the

## Acces PDF The West Series Books 1 3 Contemporary Romance Series West Series Boxset

whole world. Every action we take has unforeseen impacts: a revolutionary South America, a defeated Prussia, a divided India, a European Enlightenment transformed by phlogiston theory, Cugnot steam engines and Linnaeus' Theory of Evolution. Diverge and Conquer covers the history of this world from the time of Frederick to the era when Europe is torn apart by a French Revolution very different to the one we know - and hints at a mysterious future to come...
